

BSC2011 Lab Spring 2024 Session 1

This course is rigorously demanding; it is therefore imperative that you read each exercise in the manual before class. It will facilitate learning the material, understanding procedures, finishing more quickly, and reducing the likelihood of mistakes.

DATE	LAB.#	LAB TITLE
1/10 – 1/11	1	Principles of Evolution
1/17 – 1/18	2	Eubacteria
1/24 – 1/25	3	Protists
